

HURON MUNICIPAL COURT
417 MAIN STREET
HURON, OHIO 44839

INSTRUCTIONS FOR REQUESTING
OCCUPATIONAL DRIVING PRIVILEGES

1. If your driver's license has been suspended by the Bureau of Motor Vehicles for failing to comply with Ohio's Financial Responsibility law, a Municipal Court, in the county where you reside, may grant you occupational driving privileges during the period of the suspension.
2. In order to request the privileges, a petition must be filed with the civil division, accompanied by a \$95.00 filing fee. The matter then will be set for hearing before the Judge.
3. Before the Court will consider granting any privileges, it must be satisfied that:
 - a. Your drivers license has not been suspended for the same reason more than once in the last five years and that you are not presently under any suspensions or license cancellations that prohibit you driving.
NOTE: If this is the second time your license has been suspended for the same reason in the last five years, there is a mandatory 15 day waiting period from the start of your suspension before privileges can start.
 - b. You have paid to the Bureau of Motor Vehicles the reinstatement fee required by Ohio Revised Code 4509.101(A)(5)(a).
 - c. You have filed proof of financial responsibility in compliance with Ohio Revised Code 4509.44.
 - d. You have satisfied all financial obligations to the Huron Municipal Court (fines and costs).
