Petition for Limited Driving Privileges and
Reinstatement Fee Payment Plan
(Ohio Revised Code 4510.10)

The undersigned Petitioner hereby states:

1. My privileges to operate a motor vehicle in the State of Ohio are suspended as the result of outstanding, unpaid Bureau of Motor Vehicle (BMV) reinstatement fees.
2. Other than unpaid reinstatement fees, my operating privileges are under no other "open" suspensions.
3. I understand that either two (2) payment plan types can be requested and/or required:
 - a) a plan that permits payments of not less than \$50.00 per month each and every month, missing no payments, until all reinstatement fees are paid in full, or
 - b) a plan that permits me to defer or put off payment of all the reinstatement fees until a further date certain not longer than six (6) months.
4. I further understand that if I fail to comply with the reinstatement plan, that my privileges to operate a motor vehicle will be immediately under suspension.
5. I further state that I have now and will continue to maintain a current SR-22 insurance policy or bond.

Wherefore petitioner respectfully requests that the Court grant the petitioner limited driving privileges for one or more of the purposes listed in the Ohio Revised Code section 4510.021.
