

Traffic/Criminal Division

All traffic/criminal cases are handled by this Division. Motions and pleadings filed in all traffic/criminal cases, pre-trial conferences, motion hearings and trials will be processed by this Division.

If you are ticketed or arrested within the jurisdiction of the Huron Municipal Court for a traffic violation or a city ordinance violation, your case will be processed in the Traffic/Criminal Division. Many traffic or criminal citations are waivable, meaning that you can avoid a court appearance by pleading guilty and remitting the fine and court costs by mail to the Clerk of Court or in person. All waivers must be paid no later than the day prior to your scheduled court date. Certain citations require your appearance in court. This will be indicated on your citation. It is strongly suggested that when you are scheduled to appear in the Traffic Court that you bring your ticket, drivers license and proof of insurance to Court.
