

## **Huron Safety Town Teen Counselor Application**

### ***For those who have never volunteered for Safety Town before... What is Safety Town?***

*Safety Town is a program that allows children entering into Kindergarten to learn safe ways to approach school and everyday situations. The children are taught the basics of fire, water, traffic, playground safety, as well as poison control, bus behavior and seatbelt importance. These concepts are taught through songs, projects, movies and games. On average we have approximately 100 children per year who attend Safety Town.*

### ***What is a Safety Town Counselor?***

*Safety Town Counselors are one of the most important parts in running a successful program. The typical age of a Safety Town counselor is between 6<sup>th</sup> and 9<sup>th</sup> grades. We do have some older, experienced Safety Town counselors who are in 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> grade. Safety Town Counselors must have completed 6<sup>th</sup> grade before Safety Town begins.*

*These counselors are vital in the day-to-day operations of Safety Town. Each counselor could be assigned to a classroom of kids, help on the blacktop outside, be an office assistant, or help with snacks. Please note that you could be assigned to any one of these areas and each assignment is vital and important to Safety Town. These counselors help the teacher and help the kids, because we all know, when we were 5 or 6, we couldn't do everything ourselves!*

*More importantly, a Safety Town Counselor is responsible for bringing excitement and energy to the participants. Many children in Safety Town are nervous the first day and it is the role of the counselor to make sure they feel comfortable. Most importantly, they make sure the kids are safe and have fun.*

### ***When is Safety Town?***

*This year, Safety Town will take place from **June 16-24<sup>th</sup>** from **9:00am-11:30** at **Shawnee Elementary School**. Counselors are expected to be there on **June 15<sup>th</sup>** to attend a meeting and help set up and are also expected to arrive 15 minutes early each day.*

### ***Community Service Hours for HHS students***

*Safety Town is a great way to help your community and gain Community Service Hours toward your Diploma of Distinction. You must bring the required paperwork from your guidance counselor to the counselor meeting prior to the start of Safety Town. Forms will be completed after completion of Safety Town and you will be contacted to pick up these forms when ready.*

*As you can see being a Safety Town Counselor is a big responsibility. If you would like to take part in this wonderful experience please fill out the attached papers. If you have any questions about becoming a Safety Town Counselor or Safety Town in general, please call Brian Croucher, Recreation Manager at Huron Parks and Recreation Department 433-8487 ext 220. You can also email us at [hprd@cityofhuron.org](mailto:hprd@cityofhuron.org)*
