Dear Mr. White and Huron City Council Members,

On behalf of St. Peter School, I am asking the city of Huron to grant us permission to hold our 4<sup>th</sup> annual Spooktacular 5k and kids Fun Run. We would like to hold this event on Saturday, October 27, 2018.

The funds raised from this race will benefit the students and staff of St. Peter School. Improvements to our school are necessary to ensure we are offering a quality Catholic based education for our students. Funds raised will also allow us to keep our tuition rates low for our families and offer tuition assistance and scholarships to those in need. As the only faith-based school in Huron, St. Peter School is an asset to the entire community, and students from outside of the parish are welcome to attend, as many do.

Anyone from the community is welcome to participate. Our race participation continues to grow in numbers every year. This year, we are partnering with four other Huron 5k races to help bring out even more runners to participate in not only our race, but the other races as well. The race will begin on Main Street, in front of St. Peter Church and run through the streets of Huron. The race will begin at 9:00 am, and by 10:30 am we will be done and tearing things down.

We are also asking permission to put up a banner in the median on Route 6, just west of the Center Street light. We would like to put this up mid-September to promote the race. The banner would be no larger than 3' x 8' and would be removed at the conclusion of the race.

We understand that liability insurance is required as well. We are covered under the Diocese of Toledo Insurance policy and, once a date is approved, we can provide proof of insurance within a day's notice.

---

Proposed course maps are attached. The course is the same that we used last year, and we will again work closely with Chief Lippert to ensure the safety of all runners. In addition, if the city is agreeable in allowing us to hold this race, we will insure all the city's needs are met to limit our impact on city services and traffic control.

We are hopeful that the city will approve this request again, and we look forward to another successful race. Thank you for your consideration in this matter.

Sincerely,

Rev. Jeffrey R. McBeth

Pastor
