1321.01 FEE SCHEDULE ADOPTED.

The following schedule of fees and operating regulations shall become a part of the Building Code of the City. (Ord. 2012-33. Passed 7-24-12.)

1321.02 CITY EXEMPT FROM LIABILITY.

Any permit holder shall save, indemnify and keep harmless the City against any and all liabilities, judgment, damages, costs and expenses which may in any case accrue against the City in consequence of the granting of any license or permit under this chapter. (Ord. 2012-33. Passed 7-24-12.)

1321.03 ESTIMATED COST DEFINED.

The term "estimated cost" as used in this chapter means the reasonable value of all services, labor, materials and use of scaffolding and other appliances or devices entering into and necessary to the prosecution and completion of the work ready for occupancy: provided that the cost of excavation or grading, and of painting, decorating or other work that is merely for embellishment or not necessary for the safe and lawful use of the building or structure, is not deemed as part of the estimated cost. (Ord. 2012-33. Passed 7-24-12.)

1321.04 FEE REQUIRED PRIOR TO PERMIT ISSUANCE.

(a) No permit as required by the Building Code shall be issued until the fee prescribed in this chapter has been paid. Nor shall an amendment to a permit be approved until the additional fee, if any, due to an increase in the estimated cost of the building or structure, has been paid.

(b) In addition to the fee herein required to be paid, no permit as required by the Building Code shall be issued until the Department of Finance has endorsed on the application for such permit that the contractor or other applicant for such permit has registered with the Department of Finance the name, place of business and person or persons to whom correspondence shall be directed of the contractor, subcontractor or other person or persons who will be performing the work for which the permit is being issued.
(Ord. 2012-33. Passed 7-24-12.)

1321.05 WORK ABANDONMENT OR DISCONTINUANCE; REFUND.

In case of abandonment or discontinuance, the cost of work performed under a permit may be estimated, an adjustment of the fee made and the portion of the fee for uncompleted work returned to the permit holder, provided that no refund of a prescribed minimum fee shall be made. If such discontinuance is due to revocation of permit, a similar adjustment and return may be made; provided that no refund shall be made until all penalties incurred or imposed by due authority have been collected. After such refund has been made no work shall be resumed until a new application has been made and a new permit has been issued.
(Ord. 2012-33. Passed 7-24-12.)

1321.06 BUILDING FEES; CONSTRUCTION, ALTERATIONS AND ADDITIONS.

In addition to Structural Plan Review fees as prescribed by the Ohio Building Code, OBC Table 115.2, the following fees shall be applicable to obtaining a permit for the construction and/or alteration of a building or structure:

(a) Residential.

- (1) New construction. Notwithstanding other fees identified in Chapter 1321 et seq., the cost of a permit for residential new construction shall be 1/4 (one quarter) of one percent (1%) of estimated value plus \$1.00 per 100 square feet of gross floor area.
- (2) Alterations, Additions, or Re-Constructions. Notwithstanding other fees identified in Chapter 1321 et seq., the cost of a permit for residential alterations, additions, or reconstructions shall be in accordance with the following table.
