

# Memorial Benches

---

The Huron Parks & Recreation Department offers the opportunity to contribute memorial donations through the **Huron Parks Foundation Fund**.

This Fund was established to improve existing park facilities and recreational programs within Huron, and will not be used for any other purpose.

While we welcome various types of memorial donations, **this form provides specific information on Memorial Benches**. Continuous improvements at the Lighthouse Pier, the “former Congra” site, the Lake Shore Electric Trail and the Fabens Park Trail, have expanded the opportunity for citizens and civic organizations to sponsor a memorial bench.

We welcome your inquiries. Please feel free to contact Brian Croucher, Parks & Recreation Manager – phone 419-433-8487 (ext. 220) or email [bcroucher@cityofhuron.org](mailto:bcroucher@cityofhuron.org)
