

# Fall Ball @ Fabens - 2020

HURON, OH

Due to Covid-19, we will have some changes and regulations that everyone must adhere to in order to run our league, following health safety guidelines:

- We ask that teams, coaches, and families exit your field as quickly as possible when your game ends.
- Teams, coaches, and families should wait until everyone has exited the field (from previous game) before you set up for your game.
- Everyone in the park should maintain a 6-ft distance from other people – be diligent about maintaining your distance from others when parking, arriving at assigned fields, watching games and waiting in line.
- Facemasks are required outdoors when you are not able to maintain 6-feet (social distance) between you and another person. Facemasks are not required by individuals while participating in a sport. However players must wear a facemask once they exit the field if they cannot socially distance.
- We will have sanitation stations throughout the facility.
- Concessions will be ran out of 2 locations within Fabens Park, to reduce wait lines and spread people out. Please maintain a safe distance while waiting in line.
- Baseballs and Softballs will be handed out to teams to use as their personal game balls for the entire season. No swapping of balls during the game.
- Coaches have been provided the “return to play” guidelines and are responsible for their teams adhering to the guidelines.
- To comply with the state department guidelines, each coach must submit a list of all coaches and players names and contact information (phone numbers) prior to the beginning of the league. **IF YOU HAVE SUBMITTED A FALL BALL PLAYER RELEASE/ROSTER WITH PLAYER’S PHONE NUMBERS – THAT WILL COMPLY WITH THIS REQUIREMENT.**
- Please remind parents that children not participating in a game, should stay with their parents at all times for their own safety.

Please keep in mind that many of these changes are new to all of us, so we appreciate your patience and understanding as we adjust to the new processes. Thank you for your participation in this year’s Fall Ball @ Fabens.
