Guidelines for Outdoor Patio Dining Activities

Effective: April 13, 2021

Due to federal, state, and local restrictions pertaining to the COVID-19 pandemic, food service operations that currently have only indoor seating, such as restaurants and bars, may desire to create outdoor dining areas. The City has developed the following guidelines which govern how outdoor dining areas may be used from the effective date of these guidelines until October 31, 2021.

- The operator must provide a drawing of the proposed area and seating, specifically indicating the area to be used for the outdoor patio dining area and any other proposed temporary fences, vehicular protections or other temporary improvements.
- The operator must provide written approval from the property owner for the proposed temporary outdoor patio dining area.
- Temporary patios shall only be permitted to operate during normal business hours.
- Music generated by a live band, DJ or other amplification device is not permitted on temporary patios within 200 feet of residential property between the hours of 9:00 pm and 7:30 am.
- The temporary improvements may not block any required means of egress, access to adjacent tenants or uses, or accessible path for the site or building.
- Parking areas may be used but suitable barricades or protections shall be provided to protect pedestrians and diners.
- Alcohol may only be served in accordance with County Health Department and State of Ohio Liquor Control rules, restrictions and requirements. The operator bears the responsibility to make itself familiar and comply with all applicable rules.
- New or additional lighting will require plan review and permits for installation.
- The operator shall ensure that the property is maintained free of trash and debris.
- The maintenance of any required social distancing or other operational requirements imposed by the State due to the COVID-19 epidemic is the responsibility of the operator.
- Operation of the outdoor patio dining area must be maintained in accordance with the approval of the City Administration.
