Dear Mr. White and Huron City Council Members,

On the behalf of St. Peter School, I am asking the city of Huron to grant us permission to hold our 5th annual Spooktakular 5k and kids run. We would like to hold this on Saturday, October 26, 2019.

The funds raised from this race will benefit the students and staff of St. Peter School. Improvements to our school are necessary to ensure we are offering a quality Catholic based education for our students. Funds raised will also allow us to keep tuition rates low for our families and offer tuition assistance and scholarships to those in need. As the only faith-based school in Huron, St. Peter School is an asset to the entire community, and the students from outside the parish are welcome to attend, as many do.

Anyone from the community is welcome to participate. Our race participation continues to grow in numbers every year. This year, we are again partnering with four other Huron 5k races to help bring out even more runners to participate in not only one race, but the other races as well. The race will begin on Main Street, in front of St. Peter Church and run through the streets of Huron. The race will begin at 9:00 AM, and by 10:30 AM we will be done and tearing things down.

We are also asking permission to put up a banner in the median of Route 6, just west of the Center Street light. We would like to put this up mid-September to promote the race. The banner would be no larger than 3' x 8' and would be taken down at the conclusion of the race.

We understand that liability insurance is required as well. We are covered under the Diocese of Toledo Insurance and, once a date is approved, we can provide proof of insurance within a day's notice.

Proposed course map is attached. The course is the same as last year, and we will once again work closely with Chief Lippert to ensure the safety of all runners. In addition, if the city is agreeable in allowing us to hold this race, we will insure all the city's needs are met to limit our impact on city services and traffic control.

We are hopeful that the city will approve this request again, and we look forward to another successful race. Thank you for your consideration of this matter.

Sincerely,

Anne Asher
Principal
