

JOB POSTING

MAINTENANCE WORKER III

Department: Water Filtration

Division: Service

Location: Water Treatment Plant

Classification: Non-Exempt

10 Waterworks Dr., Huron, OH

Pay Range: \$22.72 to \$26.04

Union: AFSCME

Starting Hourly Rate: \$22.72

GENERAL PURPOSE: Performs a variety of general service duties in repair, maintenance, and tracking of the public water system in a way that provides the general public and community with a reliable and affordable product that is both potable and palatable.

SUPERVISION RECEIVED: Works under the general supervision of the Water Superintendent, Assistant Water Superintendent, and Chief Operator.

SUPERVISION EXERCISED: None.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- Performs routine inspections and preventative maintenance on assigned equipment and refers defects or repairs to supervisors. Maintains clean working areas and cleans equipment.
- Assists in the proper operation of the water plant, including monitoring water treatment, performing tests and lab work.
- Performs quality control activities, such as testing of water supply; provides necessary services for the water system to be self-sustaining.
- Assists in the reporting, tracking, and complying of data related to the water system.
- Makes recommendations for needed supplies and equipment, pick-up equipment, and supplies, and advise external vendors as needed or when problems arise.
- Other duties as required or assigned.

REQUIRED QUALIFICATIONS:

- High School graduate or GED equivalent, vocational or technical education in facilities maintenance, mechanics, or related field
- Minimum one (1) year related experience
- Equivalent combination of education and experience
- Valid Ohio Driver's License
- Ohio EPA laboratory certification within six (6) months of date of hire
- Class I Water Supply certification from the Ohio EPA within two (2) years

PREFERRED QUALIFICATIONS:

- Grade A Commercial Driver's License

TOOLS AND EQUIPMENT USED: Knowledge of operation and use of the following tools and equipment, including but not limited to: City owned vehicles, hand tools, laboratory and water testing equipment, maintenance equipment, personal computer, radio, and telephone.

PHYSICAL DEMANDS: While performing the duties of this job, the employee is frequently required to sit and talk or hear. The employee is frequently required to walk, stoop, use arms and/or hands to reach, and use hands and fingers to handle or feel objects, controls, or tools. The employee must frequently lift and/or move up to 50 pounds. Specific vision abilities required by this job include close vision, peripheral vision, color vision, and the ability to adjust focus. While performing the duties of this job, the employee is often required to work in undesirable weather conditions including, but not limited to extreme heat, extreme cold, rain, snow, and high winds. The employee is occasionally required to work below ground. The noise level in the work environment is varied and may include undesirable noises such as grinding, grating, or extreme loudness. The employee frequently works near moving mechanical parts, in high and precarious places, exposure to fumes or airborne particles, above and below ground, and vibration. The employee in this position may experience varied degrees of occasional stress.

It is the policy of the City of Huron to provide equal employment opportunities without regard to race, religion, color, sex, sexual orientation, gender identity, gender expression, national origin, marital status, age, military status, genetic information, disability or any other legally protected class status.

POSITION WILL REMAIN OPEN UNTIL FILLED.
