

RESOLUTION NO. 21-2023

Introduced by Joel Hagy

A RESOLUTION AUTHORIZING A FY24 MARCY KAPTUR – ENERGY & WATER COMMUNITY PROJECT FUNDING APPROPRIATIONS REQUEST IN THE AMOUNT OF TWO MILLION AND 00/100 DOLLARS (\$2,000,000.00) RELATING TO THE HURON RIVER ALTERNATE RAW WATER INTAKE & SLUDGE LAGOON SEWER PROJECT; AND FURTHER AUTHORIZING THE CITY MANAGER TO ACCEPT THE FUNDING AWARD IN AN AMOUNT NOT TO EXCEED TWO MILLION AND 00/100 DOLLARS (\$2,000,000.00) AND ENTER INTO AN AGREEMENT WITH THE MARCY KAPTUR – ENERGY & WATER COMMUNITY PROJECT FUNDING PROGRAM, SHOULD THE APPLICATION BE SUCCESSFUL.

WHEREAS, The City of Huron desires to utilize funding opportunities available through the Marcy Kaptur FY24 – Energy & Water Community Project Funding program to obtain potential funding to be used for its Huron River Alternate Raw Water Intake & Sludge Lagoon Sewer Project (the “Project”);

WHEREAS, the City will submit an appropriations request in the maximum allowed amount of Two Million Dollars (\$2,000,000.00) to help fund the Project;

WHEREAS, the City staff believes making application for these grant funds is proper and beneficial to the City.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF HURON, OHIO:

SECTION 1. That the City Manager is hereby authorized to submit a FY24 Marcy Kaptur – Energy & Water Community Project Funding Appropriations Request for potential funding to be used for the Huron River Alternate Raw Water Intake & Sludge Lagoon Sewer Project in the amount of Two Million Dollars (\$2,000,000.00).

SECTION 2. That if project funds are awarded, authorization is given to the City Manager to execute any necessary contract with the Marcy Kaptur - Energy & Water Community Project Funding program to be eligible for funding under the program, and to accept the funding award of up to Two Million Dollars (\$2,000,000.00).

SECTION 3: That this Council hereby finds and determines that all formal actions relative to the adoption of this Resolution were taken in an open meeting of the Council and that all deliberations of this Council and of its committees, if any, which resulted in formal action, were taken in meetings open to the public in full compliance with applicable legal requirements, including O.R.C. §121.22 of the Revised Code.

SECTION 4: This Resolution shall be in full force and effect from and immediately following its adoption.

ADOPTED: 14 MAR 2023

Congresswoman Marcy Kaptur - FY24 Energy & Water Community Project Funding Request Form

Please read all information before providing all requested information. The deadline for submission is Friday, March 17, 2023.

General Eligibility

This year, the Subcommittee on Energy and Water Development and Related Agencies will only consider a Community Project Funding request if the request funds--

(1) a previously authorized study or project of the **Corps of Engineers**;

OR

(2) a previously authorized study or project of the **Bureau of Reclamation** that is **not solely** authorized under section 4007, 4009(a), or 4009(c) of the Water Infrastructure Improvements for the Nation (WIIN) Act of 2016 (Public Law 114-322).

****Note that a Community Project Funding request is only necessary to request an increment of funding or scope for a study or project that is above and beyond the funding and scope for the study or project included in the President's fiscal year 2024 budget request. A request that supports the level and scope of a study or project included in the President's budget is considered a program request. Note as well that any amount requested should be limited to the **federal share** of the total cost of the fiscal year 2024 study or project costs, if the the study or project requires a local match.**

Corps of Engineers CPF Guidance

A Community Project Funding request for a study or project of the Corps of Engineers must specify one of the following accounts:

- (a) Investigations.
- (b) Construction.
- (c) Mississippi River and Tributaries.
- (d) Operation and Maintenance.

A Community Project Funding request for the Corps of Engineers must specify whether the study or project is a new start. Generally, a study or project is a new start if it

has not received funding in a prior fiscal year. Contact your local Corps of Engineers District Office if you are unsure whether your study or project is a new start.

A Community Project Funding request for the Corps of Engineers must identify the statutory authority for the study or project. A specific citation to a section of the U.S. Code or a section of a specific Public Law is required. Generally, the authorization will either be specific to the study or project or the study or project will be authorized under one of the Corps' Continuing Authority Programs. Contact your local Corps of Engineers District Office to confirm that you are citing the correct authority for your study or project and that the scope of your request is within the existing authorization.

A Community Project Funding request for a study or project that will be carried out by the Corps of Engineers rather than by a grantee must identify the Corps' fiscal year 2024 capability for the study or project. The fiscal year 2024 capability is the maximum amount that you can request for your study or project. Contact your local Corps of Engineers District Office to identify the fiscal year 2024 capability for your study or project.

A Community Project Funding request for the Corps of Engineers must be supported by a description of the project's merit and value to the taxpayer, and by evidence of community support.

Bureau of Reclamation CPF Guidance

A Community Project Funding request for a study or project of the Bureau of Reclamation must specify the Water and Related Resources account.

A Community Project Funding request for the Bureau of Reclamation must identify the statutory authority for the study or project. A specific citation to a section of the U.S. Code or a section of a specific Public Law is required. As stated under "General Eligibility", the study or project is not eligible if it is solely authorized under section 4007, 4009(a), or 4009(c) of the Water Infrastructure Improvements for the Nation (WIIN) Act of 2016 (Public Law 114-322). Contact the Bureau of Reclamation office responsible for your study or project to confirm that you are citing the correct authority for your study or project and that the scope of your request is within the existing authorization.

A Community Project Funding request for a study or project that will be carried out by the Bureau of Reclamation rather than by a grantee must identify the Bureau's fiscal year 2024 capability for the study or project. The fiscal year 2024 capability is the maximum amount that you can request for your study or project. Contact the Bureau of Reclamation office responsible for your study or project to identify the fiscal year 2024 capability for your study or project.

A Community Project Funding request for the Bureau of Reclamation must be supported by a description of the project's merit and value to the taxpayer, and by evidence of community support.
