

ADDENDUM NO. 1

WATER TREATMENT PLANT IMPROVEMENTS (REBID)

CITY OF HURON, OHIO

JOB NO. 258000-00159

DECEMBER 26, 2019

I. Proposal, Bid Form, and Contract Documents

- A. The owner has agreed to remove sludge from the sedimentation basins down to minimal levels. The cost of sludge removal and disposal does not need to be included in the proposed bid price. The contractor is still responsible for final cleaning of the basins required for work and installation of the chain and flight equipment.

II. Plans

- A. Plan Sheets PM301, PM302, PM304, and PM305 have been revised and are included in this addendum.

III. Specifications

- A. Specification Section 46 4311 Chain and Flight Equipment – There was a printing error that included the last few pages of the specification twice. Please ignore the additional pages.

IV. Planholders List

- A. A planholders list is available online for your reference at www.pdgplanroom.com.
