**Appropriation Measure**

**Reason for Appropriation Measure**

The appropriation transfers between line items is necessary to budget for unexpected revenue increases in building permits. The City remits 85% of building permit revenue to Huron Township on a monthly basis. Due to the increase in revenue, mainly resulting from multiple new builds at Northport, the Finance Director must increase appropriations in the Building/Zoning budget to pay the Township through the end of the year. However, due to savings in other areas of the General Fund budget, total appropriations in the General Fund will not be impacted, netting to zero overall.

In accordance with the Ohio Revised Code, Council must approve budget transfers between line items in accordance with the City's legal level of control. The City's General Fund is budgeted at the Fund>Department>Object level.
