Narrative: 20-190076 Page: 1

The complainant, Kerry Jackson, contacted this department to report a hit/skip private property accident at Valley Ford auto dealership. I was dispatched to that location and made contact with Mr. Jackson. He stated that his 2002 gold Ford F-150 bearing Ohio registration CMY9291 (State Farm Insurance) was parked unoccupied next to the old Gull Motel building . While parked there it was struck by another vehicle in the rear passenger side bumper area. The taillight lens on that side of the vehicle was damaged and there was white paint transfer. The damage on the truck was up high on the vehicle and appeared to have been caused by a truck of similar size or larger. While speaking with employees at the dealership it appears that the damage occurred overnight. I advised Mr. Jackson that a report would be on file.
