Narrative: 20-190200 Page: 1

Mr. Brian Brichacek responded to this agency to report a possible fraudulent use of his social security number (SSN). He presented a returned private background check from an employment application. There was the listed name of Brias Budweiser on his report that may be attached by his SSN.

I was unable to determine if there was a criminal record attached by his SSN based on the given report. A check was run through OHLEG to determine if any criminal records were attached to Mr. Brichacek's SSN on this alternate name. There were no indications that the name Brias Budweiser was connected to his SSN or any court records.

Mr. Brichacek was advised of my findings and that the name attachment was most likely there based on an expanded name search.
