Narrative: 20-190393 Page: 1

I was dispatched to the area of Lisa Ann Dr. for a soliciting complaint. Upon arrival I observed 3 employees from Tomorrow Energy going door to door. I made contact with one of the employees and asked if they had registered with the city. She advised they had not. I informed the employee they would need to cease operations until their company has been approved by the city. She stated she understood and the employees left the area.
