Narrative: 20-190446 Page: 1

On 27 APR 2019 17:24 Hours, I was on patrol in Old Platte when I observed a group of pedestrians outside The Old Fish House Bar. The pedestrians were all looking with binoculars at a large black plume of smoke. The smoke plume appeared to be just north or northwest of Kelleys Island.

I radioed dispatch about the smoke sighting and they had not received any calls. I requested that they contact the United States Coast Guard (USCG) in the event the smoke was from a vessel in distress. It was later learned that the smoke source was on Kelleys Island and the Kelleys Island Police Department responded to the scene.
