Narrative: 20-190787 Page: 1

Ms. Elizabeth Rhode-Barrett contacted this agency to report a suspicious white powder she located in a box she received. I responded and met with Ms. Rhode-Barrett at her apartment. She showed me a package on the floor which she had previously ordered from FabFitFun. I located a One Dollar bill near the top that was folded. I examined the dollar bill which had an "envelope" type fold. After carefully unfolding the bill, I located an unknown white powder substance inside. The bill was folded back up and I secured it inside my gloves. I checked the remainder of the box and did not locate anything further on any of the items from the box. The packaging material was disposed of.

I advised Ms. Rhode-Barrett a report would be generated and I would dispose of the substance as it was most likely narcotics. The dollar/substance was transported this agency where it was later secured into evidence locker #384 for destruction.
