**Narrative:    20-190922      Page: 1**

The complainant, Earl Perry, advised me that he had tools taken from the house at 110 Atwood Place. Mr. Perry stated that the house was secure and locked. He stated that he was missing two Pro-Pass loaders, a large DeWalt air compressor, a circular saw and two sets of saw horses. He was advised to provide the police department with serial numbers and prices, if possible. No forced entry was made to the locked structure and Mr. Perry suspects that former tenants may have a key for the address. I advised him a report would be made and I returned to service.
