Narrative: 20-191194 Page: 1

Dispatch advised of a black lab running around the area of Shawnee Elementary School. I arrived in the area and located the black lab walking in the large grass area behind the school. I was able to coax the dog to me and retrieve it's 2019 tag (#6623). While out with the dog, I was approached by a male identified as Michael Foster. Mr. Foster stated he was watching the black lab while the owners were out of town. The owners are Paul and Anita Fantozzi.

I advised Mr. Foster of the city ordinance for dog running and informed him that any other issues could result in a summons being issued. Mr. Foster stated he understood and apologized. I help Mr. Foster load the dog into his vehicle and returned to service.
